SUPPLEMENTARY INFORMATION: This ICR seeks PRA authority for the Required Elements of an Unemployment Insurance (UI) Reemployment Services and Eligibility Assessment (RESEA) Grant State Plan information collection. The Department of Labor, ETA is submitting this Information Collection Request (ICR) to implement and collect an annual Reemployment Services and Eligibility Assessment (RESEA) state plan as described in Section 306(e) of the Social Security Act (SSA). On February 9, 2018, the President signed the Bipartisan Budget Act of 2018, Public Law 115-123 (BBA), which included amendments to the SSA that create a permanent authorization for the RESEA program. The recently enacted Section 306 of the SSA introduced several new program requirements including the requirement that states must submit an annual state plan to be

considered eligible for funding. Section 306(e), SSA provides the authorization and specific requirements of the state plane. *See* 42 U.S.C. 306(e).

This proposed information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB, under the PRA, approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. For additional information, see the related notice published in the *Federal Register* on April 5, 2019 (84 FR 13720).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty-(30) days of publication of this notice in the *Federal Register*. In order to help ensure appropriate consideration, comments should mention OMB ICR Reference Number 201906-1205-004. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility:
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
